A Message from Our Founders

Indonesia is a land of extraordinary natural abundance — where for generations, the art of blending herbs and spices has been quietly perfected, passed down as a cherished inheritance from one generation to the next. At PT Teras Rempah Nusantara, we carry this legacy forward with a singular purpose: to share Indonesia's timeless botanical heritage with the world, elevated for the modern age.

Through Bringing Indonesian Wealth to Your Cup, we handpick only the finest premium herbal ingredients and botanicals, crafted using heirloom recipes refined over generations. We believe that honoring tradition should never come at the cost of convenience. By presenting our authentic blends in refined, contemporary packaging, we invite you to discover the depth and sophistication of the Indonesian archipelago — effortlessly, in every premium sip.

As we continue to grow, innovation, sustainability, and relentless craftsmanship remain the foundation of everything we do. We believe that true, lasting success is built through genuine partnership — with our customers, our farmers, our suppliers, and every stakeholder who shares in our vision of bringing Indonesia's finest to the world.

Ancestral Roots, Reimagined for the World

For centuries, Indonesian mothers have turned to jamu — a living pharmacy of roots, flowers, and leaves — to care for their families. Alami by Mader takes that inheritance and gives it a passport.

Traditional jamu was powerful, but never convenient — hours of grinding and boiling, an acquired taste few outside Indonesia ever discovered. We saw an opportunity, and a responsibility, to change that.

Every Alami by Mader tisane is a small-batch herbal blend, sealed fresh in ready-to-steep sachets, designed to travel as effortlessly as it brews. The same botanicals once simmered in a village kitchen are now presented with the refinement of a premium global tea brand — no compromise on tradition, no compromise on taste.

This is more than a cup of tea. It is a piece of Indonesian heritage, distilled, elevated, and made ready for shelves around the world.

“Bringing the wisdom of our grandmothers into a cup made for today.”

What Drives Us

VISION

To become the global leader in reimagining Indonesia's ancestral wellness traditions — transforming centuries-old jamu heritage into innovative, modern rituals, and inspiring people around the world to embrace a healthier way of living.

MISSION

Honoring Heritage, Igniting Innovation — preserving the wisdom of our ancestors' healing traditions while pioneering new ways to bring them into modern daily life, bridging generations through thoughtful innovation.

Uncompromising Quality — crafting every blend from the finest natural botanicals, sourced directly from trusted Indonesian farmers, ensuring purity and integrity in every cup.

PRODUCT CATALOG

Alami

BY MADER

Modern Indonesian herbal tisane, rooted in ancestral jamu wisdom — crafted with premium taste and elegant simplicity, for the world to discover.

HACCP Certified • Halal Indonesia

We use Corn Starch PLA (Polylactic Acid) material for our tea bags across all Alami by Mader collections — a 100% plant-based biopolymer, renewable and biodegradable, toxin-free and free of microplastics, ensuring a pure and healthy brew in every cup.

LACTATION SUPPORT BLEND

Milky Bloom

“Nourish the bond between you and your baby.”

A nurturing herbal blend crafted to support milk flow, vitality, and a nursing mother's overall well-being — inspired by a mother's traditional recipe.

Katuk Leaf

A time-honored Indonesian leaf, traditionally valued for supporting healthy milk flow in nursing mothers.

Moringa

A nutrient-dense leaf that supports maternal vitality and everyday nourishment.

Dates

Naturally sweet fruit that lends gentle energy and comforting warmth to the blend.

Pandan

A fragrant leaf that adds a soft, comforting aroma to every steep.

SUPPORTS HEALTHY MILK FLOW

Katuk leaf is a cornerstone of traditional Indonesian nursing wellness rituals.

NOURISHES MATERNAL VITALITY

Moringa and dates provide gentle, wholesome nourishment during this demanding season.

COMFORTING DAILY RITUAL

A warm, fragrant infusion designed to be a soothing moment in a busy day.

100% CAFFEINE-FREE

Gentle and safe to enjoy throughout the nursing journey.
